Alissa Fischer

Schönen Donnerstag!

Alissa aus der 1000things Redaktion war im Repair- und Nähcafé vom 48er-Tandler

Siehst du auf Instagram auch ständig diese Reels, in denen Leute ihre Kleider selbst nähen? **Nähen lernen** steht schon lange auf meiner Liste der guten Vorsätze. Leider ist mir aber schon in der Volksschule aufgefallen, dass ich relativ talentfrei bin und so habe ich mich im Gymnasium für technisches Werken angemeldet. Aber **einfache Reparaturen** müssen doch auch mit zwei linken Händen möglich sein, dachte ich mir.
